

The image is a screenshot of a web application interface for a library management system. At the top left, the text 'WebLib' is displayed in a large, blue, sans-serif font. Below it, in a smaller, grey font, is the text 'Free Library Management Software (SaaS Model)'. The main content area is divided into two sections. The left section contains a 'Login' form. At the top of this section is the word 'Login' in a large, black font, followed by a small icon of a person. Below this are four input fields: the first is labeled 'UOP' and contains the text 'UOP'; the second is labeled 'Password' and contains six dots; the third is labeled 'CAPTCHA' and contains the text '7cbae'; the fourth is a CAPTCHA image showing the text '7cbae' with a refresh icon to its right. Below the input fields are two checkboxes: 'Remember me?' and 'Forgot Password?'. A blue button labeled 'log in' is positioned below the checkboxes. Below the 'log in' button is a link that says '<-- Back to Home Page'. At the bottom of the left section is a blue button labeled 'Web-OPAC'. The right section of the main content area contains the text 'CENTRAL LIBRARY' in a large, black, sans-serif font, followed by 'UNIVERSITY OF PATANJALI, MAHARISHI DAYANAND GRAM, HARIDWAR' in a slightly smaller, black, sans-serif font. Below this text is a large, empty rectangular area. In the bottom right corner of the page, there is a small map showing the location of the library, with a red pin and a label 'Bajheri Rajpootan'. To the left of the map is a small weather icon showing a sun and clouds.

UNIVERSITY OF PATANJALI, MAHARISHI DAYANAND GRAM, HARIDWAR
